

JURUPA AVE TRAILHEAD

JURUPA AVENUE TRAILHEAD

This site is 7.7 acres of undeveloped city-owned and managed park land immediately adjacent to the Santa Ana River Trail. It is also located near a residential neighborhood and near what will soon be a retail development that will include establishments where food and beverages can be purchased to support trail users. Much of the site is disturbed land that is mowed annually for weed abatement. A vegetated drainage with a mix of native and invasive plants runs through the eastern edge of the site.

Opportunities

- 7.7 acres of undeveloped City owned park land.
- Immediately adjacent to the existing Santa Ana River Trail.
- Close proximity to future commercial/retail developments.

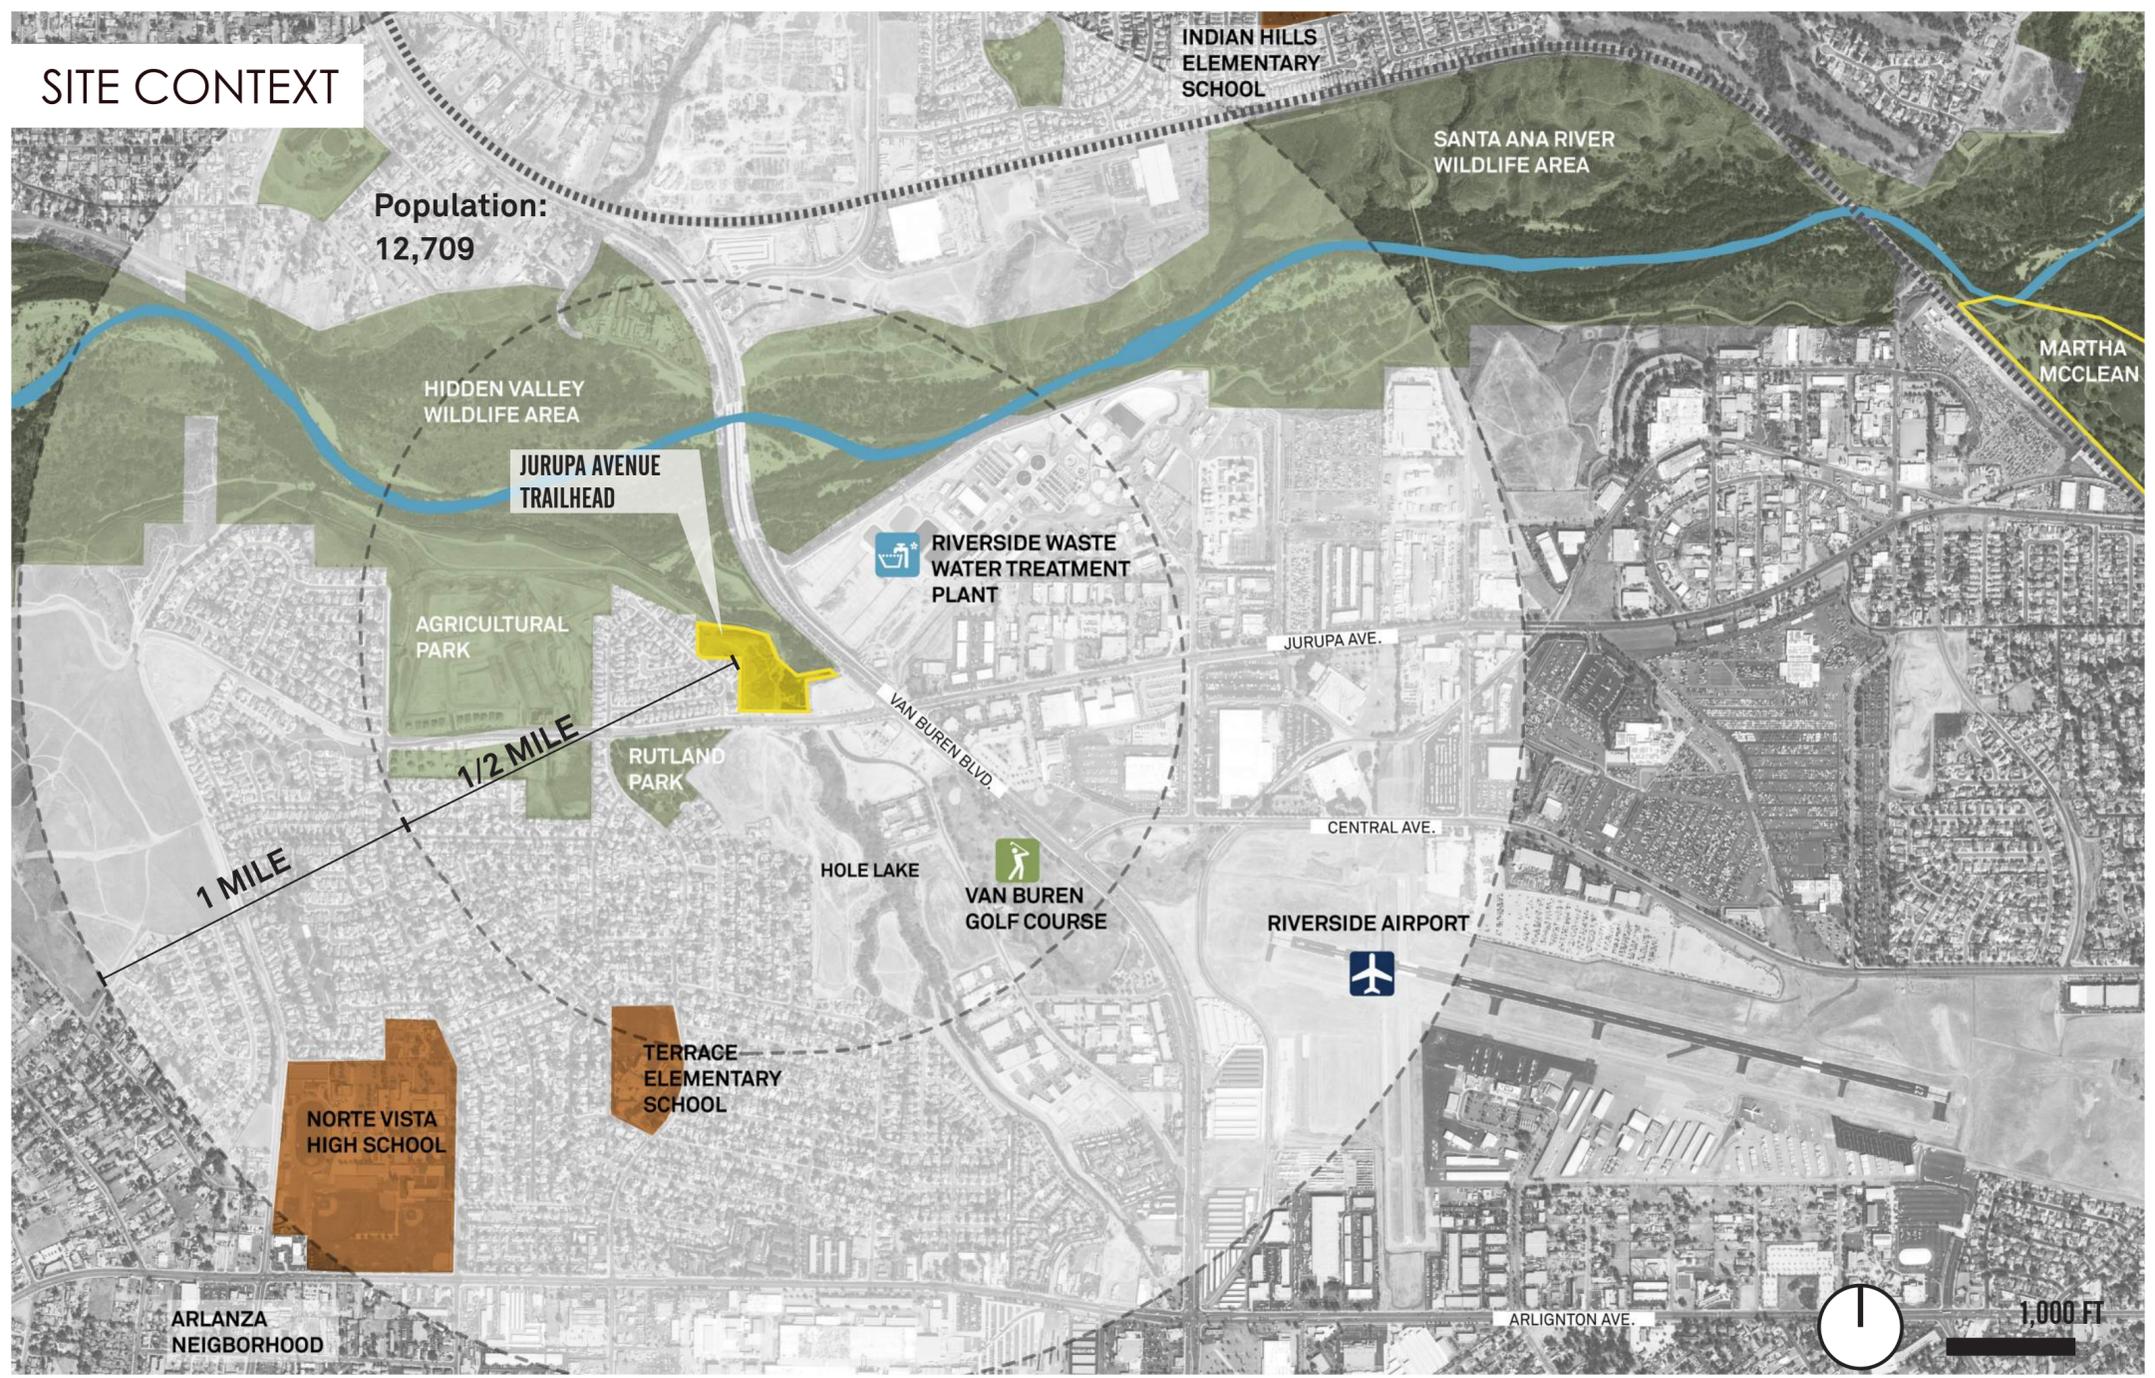

Park improvement ideas

- Drinking water
- Shade resting areas
- Parking for cars and trailers
- Equestrian facilities (water, hitching, etc)
- Bike lockers/racks (to encourage active transportation)
- Bicycle repair station

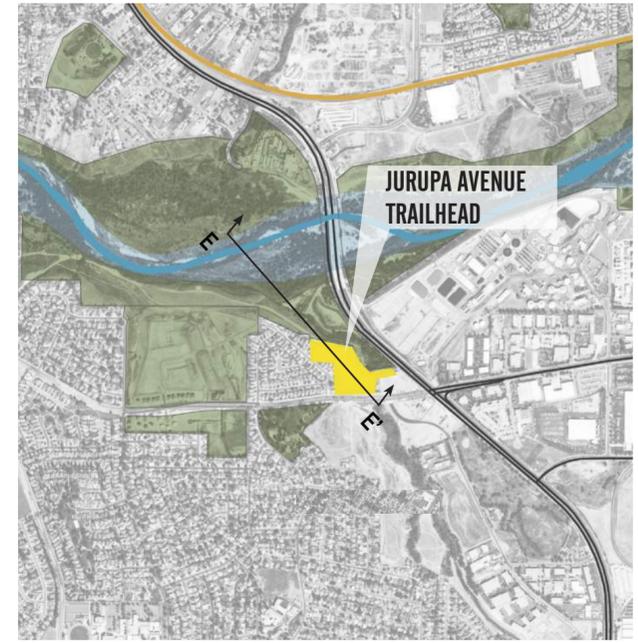

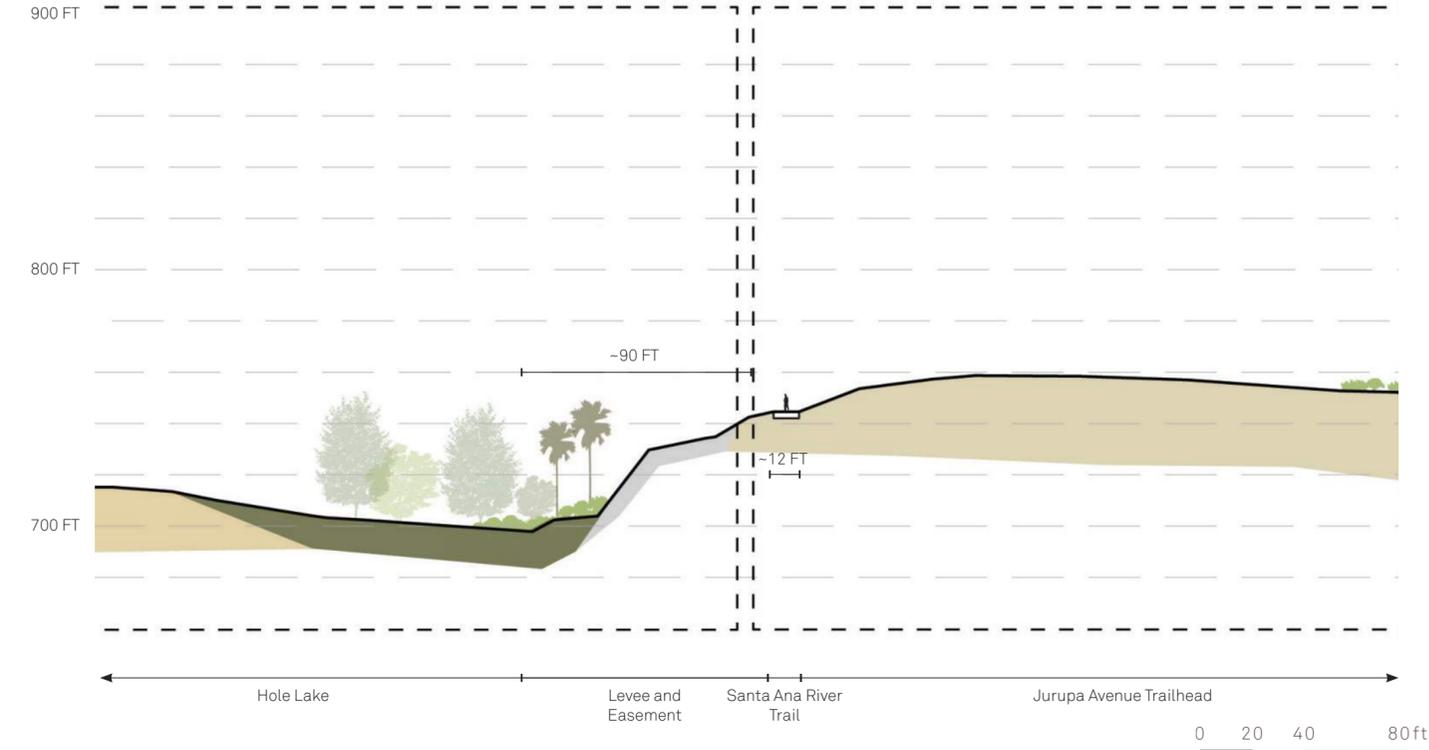

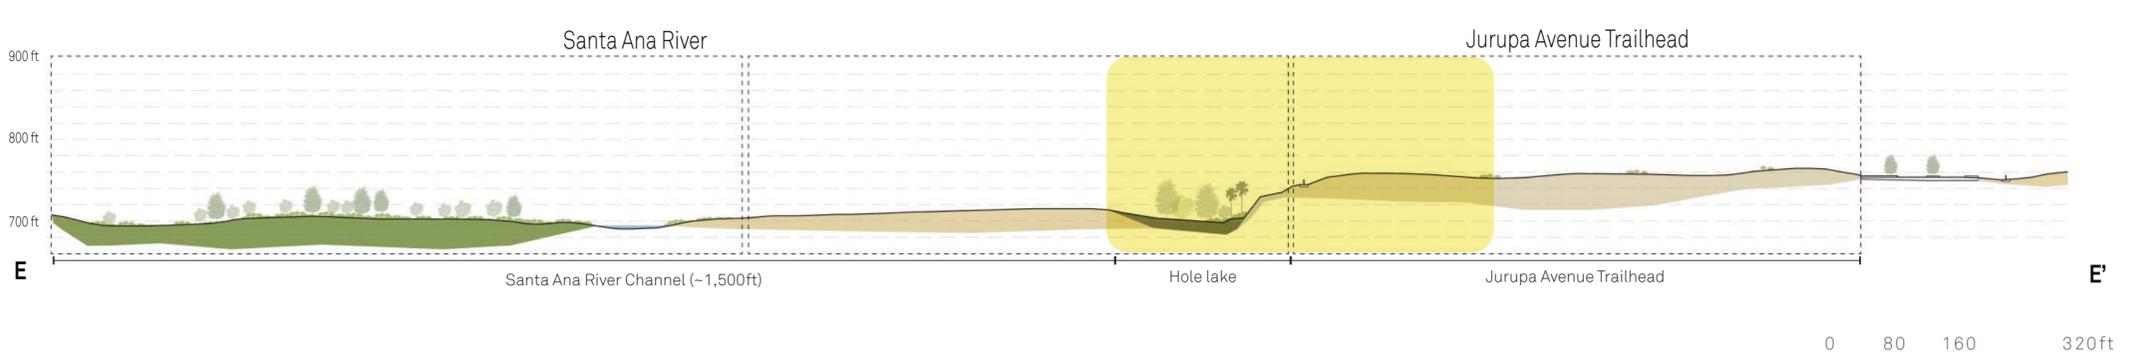

Jurupa Ave Trailhead is characterized by its adjacency to the Santa Ana River Trail, Hole lake, Rutland park, and a residential neighborhood. The site is mostly flat with steep terraced edges along Hole Lake and offers good views to the valley basin and river.
